

# Our Community Impact

**Twin County Regional Healthcare's** mission of *making communities healthier®* is at the heart of everything we do. It is deeply embedded in how we provide high-quality care for patients, expand and enhance our services, and make meaningful investments to promote the health and economic growth of our region.

For us, healthcare is personal. We are caring for our own neighbors, family, friends and loved ones. That's why our dedicated team is focused on advancing local care and keeping patients where they want to be – close to home. We are committed to meeting the unique needs of all those we serve, both inside and outside our hospital walls, and strive to be the preferred healthcare destination when our community members need care.

Together with Duke LifePoint Healthcare and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. It is our privilege to serve you.

We are pleased to share this summary of our impact in 2025.

**William Alley, MHA, RN, CEO**

## 2025 Community Benefits

### Added new providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in family medicine, pediatrics and orthopedics.

### Donated more than \$15.2 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

### Invested nearly \$1.8 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a stereotactic breast biopsy system, chemistry and immunoassay analyzer replacements and a modified barium swallow study chair.

### Paid \$7,654,748 in taxes

We are proud to be a leader in our region, and our dedication to fiscal responsibility extends to both our hospital and community.

### Distributed a payroll of \$32,950,762 to approximately 400 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

# Our Community Impact

## 2025 Economic Impact

### Charity and other uncompensated care

(Includes charity care, uninsured discounts and uncompensated care)

**\$15,249,178**

**2025 Total: \$23,153,885**

Virginia Sen. Bill Stanley, Virginia Delegate Mitchell Cornett and other local government leaders visited TCRH to celebrate the grand opening of the Intensive Outpatient Program.

The hospital is proud to team up with the Twin County Chamber of Commerce to provide a book to every newborn in our community.

The TCRH team united for breast cancer awareness, showing our commitment to education, early detection and community support.

## Sponsorships and Donations

It was our pleasure to be able to support the following activities and organizations during the past year:

- Camp Dickenson
- Carroll County Ag Fair
- Freedom Firm USA
- Galax Parks and Recreation
- God's Storehouse Soup Kitchen
